FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 3640 – HB 3773**

February 12, 2010

**SUMMARY OF BILL:** Authorizes any certified provider of local exchange telephone service subject to market regulation to file a tariff with the Tennessee Regulatory Authority (TRA) governing the rates, and the terms and conditions of any provided services. Declares that any filed tariff shall become effective upon filing and be deemed approved, unless rejected by the TRA within 60 days of filing. Declares that approval of any tariff shall constitute publication and notice to consumers. Declares the filing of a tariff shall not alter, limit, or expand the jurisdiction of TRA.

**ESTIMATED FISCAL IMPACT:**

**State Revenue – Net Impact – Not Significant**  
**State Expenditures – Net Impact – Not Significant**

Assumption:

- Based on information provided by TRA, any net change to state fee revenue or state expenditures is considered to be not significant. TRA indicated that due to the provision in the bill stating that the Authority's jurisdiction over market regulated companies shall not be altered, any resulting fiscal impact would be not significant.
